the *New Harmony Artists' Guild* is a non-profit organization under 501c3 of the Internal Revenue Service. Donations are tax deductible.

OUR MISSION

The New Harmony Artists Guild brings together a diverse group of artists, organizations, and supportive citizens. We create a climate to practice & make art, share ideas & expertise, and advocate for all the arts.

Within every soul is a latent desire to create.

*The Artists' Guild encourages the flow of all types of expression and art-making—without prejudice. We seek to provide the coordination of ideas, events, and concepts, along with the sharing of resources, spaces, and conversations. We recognize that a healthy town is one in which the growth, influence, and vitality of the arts create collective aesthetic development. This energy contributes to the financial health and social well-being of all involved and inspires residents and visitors alike. **The New Harmony Artists' Guild carries the legacy of the arts into the future.** We promote intergenerational learning and enhancement of the arts in New Harmony, Posey County, and SW Indiana. This is what we do.*

ART
by & for our Community

WHAT WE DO

We share art and music experiences by our guild's talented instructors to be sure that everyone—irrespective of their age, background, and skills—has access to high-grade arts learning and knowledge.

We actively promote an array of visual, performing, traditional and non-traditional arts and crafts from our talented Artist Members. The Guild's forthcoming website will announce a schedule of classes and town-wide art events to New Harmony and visitors alike. There will be multiple ways to connect and partake with Guild's Artist Members—visiting artists' studios, taking classes, or joining in one of our town's frequent musical jams and adventures.

ART FOR THE COMMUNITY

The traditional core of the Artists' Guild has been its musicians and artists of every stripe. It is now expanding to include regional practices working in ceramics, design, textiles, crafts, body & spirit arts, cuisine, horticulture, arts administration, performance, and writing. These are disciplines that we do already—and we want to share them with the world.

Circle of Friends meets every Thursday at 7:00pm, bringing together experienced musicians and newbies alike.

Art classes taught by local and regional artists

Music Lessons taught by professional musicians

House Concerts by local and traveling musicians

ART BY THE COMMUNITY

Website showcase of over 50 area Artist Guild Members will list available workshops, classes, access to purchase works, hire for gigs, commission pieces.

Exhibitions of members works at our farm Guild house and various locations throughout New Harmony

And we're just getting started! Stay informed to see what 2024 brings!
